

ECSE DAILY NEWS REPORT

Welcome to the ECSE daily trading report for 1st April 2008.

Today on the Eastern Caribbean Securities Market 500 St Kitts Nevis Anguilla National Bank shares traded at \$3.28 unchanged from its previous market close.

Although there were bids and offers for other listed securities there were no other matches, and thus there were no changes in the market prices of the securities trading on the ECSM.

And today's financial tip:

What is a call?

It is an option contract that gives the holder the right to buy a certain quantity (usually 100 shares) of an underlying security from the writer of the option, at a specified price, up to a specified date, also called call option.
