

ECSE DAILY NEWS REPORT

Welcome to the ECSE daily trading report for 14th July 2008.

Today on the Eastern Caribbean Securities Market, 30 East Caribbean Financial Holding Company shares traded at \$14.50, unchanged from its previous traded price.

Although there were bids and offers for other listed securities there were no other matches, and thus there were no changes in the market prices of the securities trading on the ECSM.

And today's financial tip:

What is a currency zone?

A currency zone is a country or region in which a specific currency is the dominant medium of exchange. The eight OECS territories that use the EC Dollar comprise a currency zone. Another example of a currency zone is the group of European countries that use the Euro as their official currency.
