

## **ECSE DAILY NEWS REPORT**

Welcome to the ECSE daily trading report for 18th January 2008.

On the Eastern Caribbean Securities Market today, 476 East Caribbean Financial Holding Company shares traded at \$15.00, holding firm on its last traded price and 800 Dominica Electricity Services Limited shares trades at \$3.45 also unchanged since the last market close. Although there were bids and offers for other listed securities there were no other matches, and thus there were no changes in the market prices of the securities trading on the ECSM.

### **And today's financial tip:**

#### **What is meant by initial public offering?**

The primary or first issue of an organisation's securities to the public is known as an initial public offering. All members of the community eighteen year and older, with money to invest can participate in an initial public offering.
