

ECSE DAILY NEWS REPORT

Welcome to the ECSE daily trading report for 4th September 2007.

There were no trades on the Eastern Caribbean Securities Market today.

Although there were bids and offers for listed securities there were no matches and thus there were no changes in the market prices of the securities trading on the ECSE.

And today's financial tip:

Very often the terms Intermediary and Broker Dealer are used, are they the same?

The terms Intermediary and Broker Dealer are often used interchangeably because they both refer to firms that are licensed to conduct securities business in the Eastern Caribbean. These firms act as the point of contact for investors wishing to purchase or sell securities that are listed on the ECSE.
