

ECSE DAILY NEWS REPORT

Welcome to the ECSE daily trading report for 26th October 2007.

On the Eastern Caribbean Securities Market today, 456 East Caribbean Financial Holding Company shares traded at \$12.50 per share holding firm on its last closing price and 100 Bank of Nevis shares traded at \$5.00 per share unchanged since its previous market close.

Although there were bids and offers for other listed securities, there were no matches and thus there were no changes in the market prices of the securities trading on the ECSM.

Today's financial tip:

The most important step in buying your first home is to save in earnest as soon as possible for the down payment and other expenses. Create a workable budget; attack your debts; think of ways to reduce your spending even further; arrange for an automatic savings plan; and stick to your spending guidelines.
