And today's financial tip:

Why should one consider purchasing government securities?

Government securities provide a good savings option as they are generally risk free and provide a higher return than that which can be received from a regular savings account. In addition, government securities are ideal for savings as they provide short, medium and long-term savings options.

THE MANAGEMENT AND STAFF OF THE ECSE WOULD LIKE TO TAKE THIS OPPORTUNITY TO EXTEND TO ALL BEST WISHES FOR A JOYOUS CHRISTMAS SEASON AND A PROSPEROUS 2010.
