

ECSE DAILY NEWS REPORT

Welcome to the ECSE daily trading report for 4th October 2007.

On the Eastern Caribbean Securities Market today, there were no trades, while on the Regional Government Securities Market, the Government of Grenada raised \$2,565,000 via a 5 year treasury note. Republic Finance & Merchant Bank entered 1 bid worth \$2,565,000. A fixed price auction methodology was used at an interest rate of 7.00%.

Today's financial tip:

Have a financial goal. If you don't know where you are going financially, you may end up somewhere you don't want to be. Whether saving for a home, retirement or a child's education, set specific goals and prioritise.
