And today's financial tip:

### **What is meant by the term discretion in securities markets?**

Discretion is the freedom an investor gives to a broker to use his judgment regarding the execution of an order. Discretion can be both limited and unlimited. An example of limited discretion, a broker is given a price range within which he can use his judgment in executing the order. An example of an unlimited discretion, a broker is not given an exact price or range to execute the order.
