TDC	í í ..	\$1.50

And today's financial tip:

Can I use securities as collateral if I am a joint owner?

Yes, but it is only possible if the other joint owner or owners, agree to charge the securities. All the holders would have to sign the paperwork required for charging the securities and, of course, they would lose the ability to trade those securities until you have fully re-paid the loan and the charge is released.
