And today's financial tip:

Does the registry account statement state the number of shares owned?

Yes, the number of shares owned is detailed on the registry account statement. The column labeled "quantity" details the total number of shares the shareholder holds as at the date of the statement. For example a statement sent to John Jones dated February 6, 2015 might show a quantity of 10,000 Bank of Nevis shares. This means that on February 6th Mr Jones owned a total of 10,000 Bank of Nevis shares.
