INFORMATION TO BE INCLUDED IN FORM ECSRC-K

1. Business.

Provide a description of the developments in the main line of business including accomplishments and future plans. The discussion of the development of the reporting issuer's business need only include developments since the beginning of the financial year for which this report is filed.

In 1993 the Company opened a branch at Stoney Grove, Nevis, which sells building material, hardware, furniture and appliances, and vehicles. In 2005 this branch was incorporated to form a wholly owned subsidiary, S L Horsford Nevis Limited.

In 1994 Horsford's Valu Mart IGA, a full service supermarket was opened.

In 2000 the Company constructed a facility at its Commercial Complex at Wellington Road, and in January 2001 relocated the Lumber and Hardware Departments. The new facility, Horsford's Building Centre, offers a full range of building materials and builders hardware items in one location.

In October 2006 the Company restructured its departments and Subsidiaries. The shipping operations were transferred to S L Horsford Shipping Ltd (formerly S L Horsford Motors Ltd), and the Insurance Agency was combined with the Car Rentals operations in S L Horsford Finance Co Ltd.

In November 2011 Horsford's Commercial Complex at Long Point Road Nevis was completed and Horsford's Valu Mart IGA Nevis, a full service supermarket opened for business on 17 November 2011. In 2012 the Furniture and Appliance Department was re-located from Stoney Grove to the Complex.

In 2013 the company began a major energy-saving initiative including the installation of a solar plant at a cost of \$5,100,000. The company has experienced a 40% reduction in electricity costs from this investment.

In 2015 the furniture stores on West Independence Street, in St. Kitts were renovated. The eastern store was refitted to accommodate an Ashley Furniture Homestore. The western store, Horsford's Furniture and Appliance Showroom, retails appliances and all other furniture lines.

2. Properties.

Provide a list of properties owned by the reporting entity, detailing the productive capacity and future prospects of the facilities. Identify properties acquired or disposed of since the beginning of the financial year for which this report is filed.

- Name and address of underwriter(s)

- Amount of expenses incurred in connection with the offer _____

- Net proceeds of the issue and a schedule of its use

- Payments to associated persons and the purpose for such payments

- (c) Report any working capital restrictions and other limitations upon the payment of dividends.

There are no restrictions on working capital; however, the company must seek the consent of its bankers, Royal Bank of Canada

9. Defaults upon Senior Securities.

- (a) If there has been any material default in the payment of principal, interest, a sinking or purchase fund instalment, or any other material default not satisfied within 30 days, with respect to any indebtedness of the reporting issuer or any of its significant subsidiaries exceeding 5 per cent of the total assets of the reporting issuer and its consolidated subsidiaries, identify the indebtedness. Indicate the nature of the default. In the case of default in the payment of principal, interest, or a sinking or purchase fund instalment, state the amount of the default and the total arrears on the date of filing this report.

There were no defaults; principal and interest were paid on their due dates.

- (b) If any material arrears in the payment of dividends have occurred or if there has been any other material delinquency not satisfied within 30 days, give the title of the class and state the amount and nature of the arrears or delinquency.

There were no delinquencies. Dividends were paid in a timely manner; there are no arrears.

10. Management's Discussion and Analysis of Financial Condition and Results of Operation.

Discuss the reporting issuer's financial condition covering aspects such as liquidity, capital resources, changes in financial condition and results of operations during the financial year of the filing. Discussions of liquidity and capital resources may be combined whenever the two topics are interrelated.

The Management's Discussion and Analysis should disclose sufficient information to enable investors to judge:

1. The quality of earnings;
2. The likelihood that past performance is indicative of future performance; and
3. The issuer's general financial condition and outlook.

It should disclose information over and above that which is provided in the management accounts and should not be merely a description of the movements in the financial statements in narrative form or an otherwise uninformative series of technical responses. It should provide management's perspective of the company that enables investors to view the business from the vantage point of management.

The discussion should focus on aspects such as liquidity; capital resources; changes in financial condition; results of operations; material trends and uncertainties and measures taken or to be taken to address unfavourable trends; key performance indicators; and non-financial indicators.

General Discussion and Analysis of Financial Condition

The financial year ended 30 September 2016 was another profitable year for the group.

Income before tax of \$16,145,651 was an increase of 14.30% or \$2,019,487 over 2015 and income after tax was \$10,050,040 compared to \$8,426,600 an increase of 19.27%.

The financial position of the group is sound, Financial obligations were met as they fell due. Debt to equity ratio of 0.29:1 and a current ratio of 1.26:1 indicate the financial strength of the group. No material changes in these ratios are expected over the next year.

Management has projected the same level of earnings for 2016/17.

Liquidity and Capital Resources

Provide a narrative explanation of the following (but not limited to):

- i) The reporting issuer's financial condition covering aspects such as liquidity, capital resources, changes in financial condition and results of operations.
- ii) Any known trends, demands, commitments, events or uncertainties that will result in, or that are reasonably likely to result in, the issuer's liquidity increasing or decreasing in any material way. If a deficiency is identified, indicate the course of action that the reporting issuer has taken or proposes to take to remedy the deficiency.
- iii) The issuer's internal and external sources of liquidity and any material unused sources of liquid assets.
- iv) Provisions contained in financial guarantees or commitments, debt or lease agreements or other arrangements that could trigger a requirement for an early payment, additional collateral support, changes in terms, acceleration of maturity, or the creation of an additional financial obligation such as adverse changes in the issuer's financial ratios, earnings, cash flows or stock price or changes in the value of underlying, linked or indexed assets.
- v) Circumstances that could impair the issuer's ability to continue to engage in transactions that have been integral to historical operations or are financially or operationally essential or that could render that activity commercially impracticable such as the inability to maintain a specified level of earnings, earnings per share, financial ratios or collateral.
- vi) Factors specific to the issuer and its markets that the issuer expects will affect its ability to raise short-term and long-term financing, guarantees of debt or other commitment to third parties, and written options on non-financial assets.
- vii) The relevant maturity grouping of assets and liabilities based on the remaining period at the balance sheet date to the contractual maturity date. Commentary should provide information about effective periods and the way the risks associated with different maturity and interest profiles are managed and controlled.
- viii) The issuer's material commitments for capital expenditures as of the end of the latest fiscal period, and indicate the general purposes of such commitments and the anticipated source of funds needed to fulfil such commitments.
- ix) Any known material trends, favorable or unfavorable, in the issuer's capital resources, including any expected material changes in the mix and relative cost of capital resources, considering changes between debt, equity and any off-balance sheet financing arrangements.

Discussion of Liquidity and Capital Resources

As at the 30 September 2016, there were no capital commitments. Working capital is adequate with a liquidity ratio of 1.26:1. Loans principal and interest were paid on due dates. There were no defaults.

Additions to fixed assets comprised mainly of assets replacements in the normal course of business; an additional warehouse was built to better accommodate the increased inventory necessary to meet the Christmas season demands. Cost of the building was \$1.5 million financed by a bank loan.

Off Balance Sheet Arrangements

Provide a narrative explanation of the following (but not limited to):

- i) Disclosures concerning transactions, arrangements and other relationships with unconsolidated entities or other persons that are reasonably likely to materially affect liquidity or the availability of, or requirements for capital resources.
- ii) The extent of the issuer's reliance on off-balance sheet arrangements should be described fully and clearly where those entities provide financing, liquidity, market or credit risk support, or expose the issuer to liability that is not reflected on the face of the financial statements.
- iii) Off-balance sheet arrangements such as their business purposes and activities, their economic substance, the key terms and conditions of any commitments, the initial on-going relationship with the issuer and its affiliates and the potential risk exposures resulting from its contractual or other commitments involving the off-balance sheet arrangements.
- iv) The effects on the issuer's business and financial condition of the entity's termination if it has a finite life or it is reasonably likely that the issuer's arrangements with the entity may be discontinued in the foreseeable future.

NOT APPLICABLE

Results of Operations

In discussing results of operations, issuers should highlight the company's products and services, facilities and future direction. There should be a discussion of operating considerations and unusual events, which have influenced results for the reporting period. Additionally, any trends or uncertainties that might materially affect operating results in the future should be discussed.

Provide a narrative explanation of the following (but not limited to):

- i) Any unusual or infrequent events or transactions or any significant economic changes that materially affected the amount of reported income from continuing operations and, in each case, the extent to which income was so affected.
- ii) Significant components of revenues or expenses that should, in the company's judgment, be described in order to understand the issuer's results of operations.
- iii) Known trends or uncertainties that have had or that the issuer reasonably expects will have a material favorable or unfavorable impact on net sales or revenues or income from continuing operations.
- iv) Known events that will cause a material change in the relationship between costs and revenues (such as price increases, costs of labour or materials), and changes in relationships should be disclosed.
- v) The extent to which material increases in net sales or revenues are attributable to increases in prices or to increases in the volume or amount of goods or services being sold or to the introduction of new products or services.
- vi) Matters that will have an impact on future operations and have not had an impact in the past.
- vii) Matters that have had an impact on reported operations and are not expected to have an impact upon future operations
- viii) Off-balance sheet transactions, arrangements, obligations (including contingent obligations), and other relationships that have or are reasonably likely to have a current or future effect on the registrant's financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources.
- ix) Performance goals, systems and, controls,

Overview of Results of Operations

The results for 2016 have been very satisfactory as profitability continued on its growth trend, resulting in the highest profit ever achieved.

Income before taxation of \$16,145,651 was an improvement of \$2,019,487 or 14.30 % over 2015. Similarly Income after taxation of \$10,050,040 exceeded 2015 by \$1,623,440 or 19.27 %. Basic earnings per share for 2016 was \$0.17 versus \$0.14 for 2015 . Total Comprehensive Income was \$10,029,971 versus \$10,893,459 for 2015.

Turnover or group sales for 2016 was \$158,767,780 versus \$157,118,254 for 2015, an improvement of \$1,649,526 or 1.05%. This was the highest sales reported in the history of the company. This improvement, which reflects the continued strength in our economies, was experienced in all our primary operations on both St. Kitts and Nevis.

Gross profit increased by \$3,149,653 or 8.58 % to \$39,849,883, Other Income increased by \$633,401 to \$9,600,195 resulting in a net increase in Total Income of \$3,783,054 or 8.28 % to \$49,450,078.

Expenses increased by \$1,504,204 or 4.34 % to \$36,148,008. Administrative expenses increased by \$1,419,358 or 6.22 %. Within these expenses, Employment costs increased by \$ 1,250,491 or 7.31 % as staffing levels were increased in certain of our operations to return them to their historic staffing levels and to meet the recent increased service demands. Profits before Results of Associated companies increased by \$2,278,850 or 20.67 %, to \$13,302,070.

Share of Results of Associated Companies was \$2,843,581, a decrease of \$259,363 or 8.36%. This decline was due to decreased demand for products produced by our joint venture company, St.Kitts Masonry Products Ltd.

Income tax Expense was \$6,095,611 which is an effective rate of 37.75 % versus the effective rate of 40.35 % in 2015.

The group's solvency continues to be strong with a debt to equity ratio of 0.29:1 and a debt to total assets of 0.20:1.

The outlook for 2017 is for similar results as experienced in 2016 as economic growth is expected to continue on its current path.

The Directors recommend a final dividend of \$0.05 per share which, along with the interim dividend of \$0.05, will result in a total annual dividend of \$0.10 per share for a total of \$6,029,686.
